

## *Estelle et Gloria choisissent leurs options*

### Answers

1. Next year, Gloria and Estelle will both be in Year 12.
2. Because Gloria will be in the scientific section next year, she wants to choose electives that differ from her other subjects.
3.
  - German
  - Drama
  - Art history
4. Gloria is considering taking Latin because she is very interested in Ancient Rome.
5. Gloria's mother will be able to help her with her decision because she is a career counsellor.
6. Gloria wants to study Medicine and Estelle wants to study Philosophy.
7. Gloria eventually chose Latin because a lot of medical terms are still in Latin.
8. Estelle chose German because a lot of important philosophers were German. She also chose drama, to clear her head of German and Philosophy.
